

Cuddy Farms is the global leader in producing and delivering commercial turkey eggs and poults throughout the world. We are committed to providing the best value and service to our customers and strive to expand and improve our business worldwide

POULTRY STAFF VETERINARIAN

Cuddy Farms is seeking an individual who is ready to grow their career in the Poultry industry. We are searching for a qualified individual to assist production staff with the maintenance of general health status and biosecurity of our flocks. This individual will provide advanced technical health support to our production staff and customers. Continuous research will be required to help improve our production and testing methods. This individual will need to become CFIA Poultry Accredited, which Cuddy Farms will assist with and will also provide poultry training to the selected individual.

Essential job functions:

- Monitor, troubleshoot and maintain top breeding flock health and production in turkey flocks (company farms, contract farms, breeder replacement, breeder and commercial flocks).
- Provide technical services to customers
- Management and development of laboratory staff
- Research, liaison and collaborate with others to enhance and improve production, health status, animal welfare, feed, vaccines and pest control
- Support and facilitate exports program including routine flock inspections, health certificates, CFIA regulatory responsibility and relationships and other duties as required.

Knowledge/Skills/Abilities:

- Degree in Veterinary Medicine
- Completion of national certification examinations are required.
- A provincial license to practice is required or to be acquired upon employment.
- High level of organizational skills
- Post graduate degree in poultry diseases is an asset
- Valid G driver's license

Cuddy Farms offers a competitive salary along with a great benefit and pension plan.

How to Apply:

If you have any questions or would like to know more about this position, please call Lori Henderson at 519-245-1592 ext. 200. Please submit your cover letter and resume to lorih@cuddy.com.
